2. Jervois intends to apply the funds raised from the Rights Issue (being a maximum of approximately \$2,177,957 before expenses of the Offer, if fully subscribed) together with existing cash at bank as indicated below:
- (a) general exploration activities on all of the Company's existing tenements;
 - (b) research and development;
 - (c) new and ongoing metallurgical test work on drill hole samples taken from any of the Company's existing tenements;
 - (d) general overhead and operating costs; and
 - (e) expenses associated with this Offer.
3. The Rights Issue will be open to existing shareholders at the Record Date with registered addresses in Australia or New Zealand.
4. The New Shares issued under the Rights Issue will rank equally with the existing shares on issue on the Record Date. Jervois will make application for official quotation of the New Shares issued under the Rights Issue.
5. The Rights Issue is non-renounceable.
6. Eligible shareholders who take up their entitlement in full will be able to apply for additional new shares under the Rights Issue for which applications are not received. Those additional new shares will be offered on the same terms as the shares under the Rights Issue. If Jervois receives applications for additional new shares that would result in an oversubscription to the Rights Issue, then Jervois will scale back applications for additional new shares as determined by the Directors.
7. The Directors also reserve the right to place any New Shares under the Rights Issue for which applications are not received at the discretion of the Directors.
8. The Rights Issue is not underwritten and there is no minimum subscription.
